TO CURE A COLD IN ONE DAY

The Independent contains the following about an old kahili handle now in the possession of Jas. McGuire:

is now in the pessession o Jas. W. L. McGuire, in his express office on King street, near Alakea. very novel Hawaiian curio in the shape of a kahili handle with two prongs or arms at the top for feathers. It came into his possession by purchase from an old native woman who came down from Maul, and she claims

to have discovered it in a cave. The entire handle is of whale bone including the arms, but at the intersection at the arms is a piece of ivory with pink beads studded above it, and House, 1249 Fort St., \$1.50 per week up. also another piece of ivory (palaloa) at mara & Co., liquor dealers, 95 King st.* stem is about two feet long, and the The list of new books in the Golden arms each about as long, and is studded in sections with yellow, blue and black beads, probably of Spanish or of missionary origin.

The claim is made that there is none other of the kind extant nor known to exist at the present time or to have existed since the missionaries arrived here in 1820. But the claim is also made that it is known that one twopronged kahili existed in the time of bottle. Lonoikamamakahiki, a very high and sacred chief, who reigned over this All contracts made by the PEI to island and Hawaii simultaneously LESS PRESERVING PAINT CO. will about two or three centuries ago o even more
